# 2022 HEART STRINGS SPONSORSHIP OPPORTUNITIES

**Music provides hope and healing.** We invite you to partner with us as a sponsor for MultiCare Heart Strings, Friday, April 29, 2022. The VIP dinner and concert will benefit the neonatal intensive care unit (NICU) at MultiCare Deaconess Hospital. Funds raised will support elevation of level of care and expansion of access to care for our tiniest and most vulnerable members of our community.

With 38 beds, our NICU is able to treat babies born prematurely or with serious health problems. The entire unit is focused on providing a supportive, low-stimulant atmosphere so our infants can develop and thrive.

Our infants have access to a full range of pediatric medical subspecialists and pediatric surgical specialists. These doctors have training and experience in how to care for small and often very sick babies.

We also have the only Neonatal Opioid Withdrawal Syndrome Unit in the Inland Northwest. Our specialists provide care for infants going through withdrawal symptoms.
