2023 MULTICARE HEART STRINGS SPONSORSHIP OPPORTUNITIES

Music provides hope and healing. We invite you to partner with us as a sponsor for MultiCare Heart Strings, Friday, April 28, 2023. The event will benefit the neonatal intensive care unit (NICU) at MultiCare Deaconess Hospital. Funds raised will support elevation of level of care and expansion of access to care for the tiniest and most vulnerable members of our community.

With 47 beds, our NICU can treat babies born prematurely or with serious health problems. The entire unit is focused on providing a supportive, low-stimulant atmosphere so infants can develop and thrive.

Our infants have access to a full range of pediatric medical subspecialists and pediatric surgical specialists. These doctors have training and experience in how to care for small, often very sick babies.

We also have the only Neonatal Opioid Withdrawal Syndrome Unit in the Inland Northwest. Our specialists provide care for infants going through withdrawal symptoms.
